[REDACTED]

I have done a redraft as a witness statement which you might like to pass on to [REDACTED] for her views. Apart from the reframing, the biggest change is that I have introduced dates. The dates of the agreement (particularly the termination date) will be essential (otherwise the agreement might have expired) but I do worry that this might cause Parking Eye some problems. Can't see how to get round that.

Nick

Dear Nick

Thanks for the meeting on Tuesday – useful exercise in my humble

Please see the first draft of the proposed 'letters of authority'

Happy to discuss further after you have discussed with [REDACTED]

Kind regards
